To whom it may concern,

**Re: Get Set Cleaning**

This letter serves as confirmation that Kevin Bates Flooring & Carpeting Pty Ltd has and continues to recommend Get Set Cleaning as their preferred cleaning company for all their carpeting installations.

They are familiar with the outlines as set out be all the local manufacturers and that of our two imported lines, Interface and Ege. Their service levels are some of the highest in the industry.

I have total confidence in their ability to clean and maintain any installation both for a commercial or residential perspective.

Should anyone wish to contact me directly please feel free to do so.

Kind Regards
